May 1 – 15, 2020

Double POINTS

FOR YOUR NEXT PROMOTION UP TO GREEN JACKET
RUN PERIOD: MAY 1-15, 2020

Mechanics

- I. Open to all active members in good standing.
- II. Every new member & sale of Kaiser and Manila Bankers Life Product from May 1 to 15, 2020 will be counted double if to be used for promotion to MD, SMD, EMD up to Green Jacket. For contest and runs and Green jacket re-qualification, the points can't be counted as double but just regular count.
- III. How does it work
 1. All recruits and sales must be closed via ZOOM
 2. For it to be counted double, you must use the Registration provided by our Dominate Tool's Virtual Events Funnel
 3. For match up, if Agent 1 & Agent 2 are same baseshop/superbase, the maximum count that the Uplines can get is 2 points, i.e. 1 point from Agent 1 multiplied by 2 = 2pts and no point from Agent 2
 4. If Agent 1 and Agent 2 are different baseshop/superbase, the maximum count that the Uplines can get is 3 points baseshop/superbase. Upline of Agent 1 gets 2 points while Upline of Agent 2 gets 1 point
 5. As a standard rule, for the promotion to be implemented, all policies should have been issued and if NIB should have been accepted or complied
 6. All the existing promotion guidelines, like replacement leg and maximum count remain the same and will not change and will not be affected in any way by this double points promo.
